

# The Reasons OBAMACARES

Reforming Health Care in America

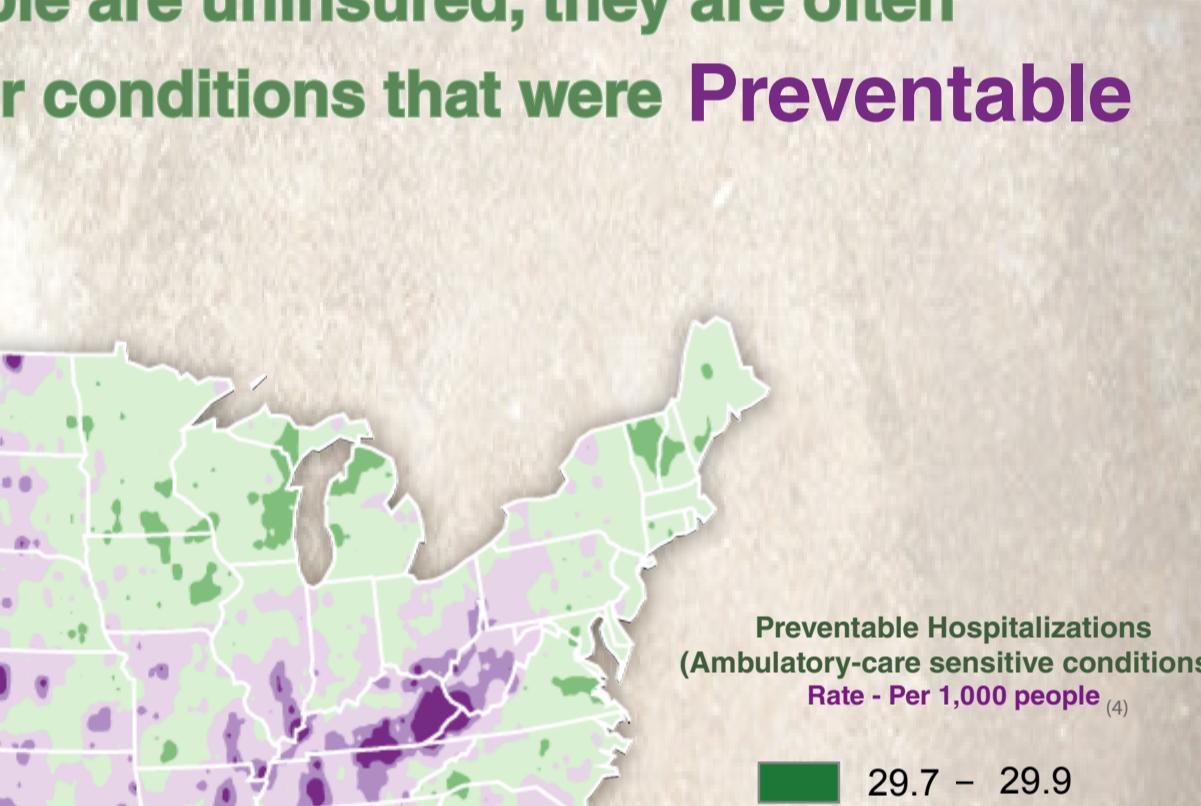

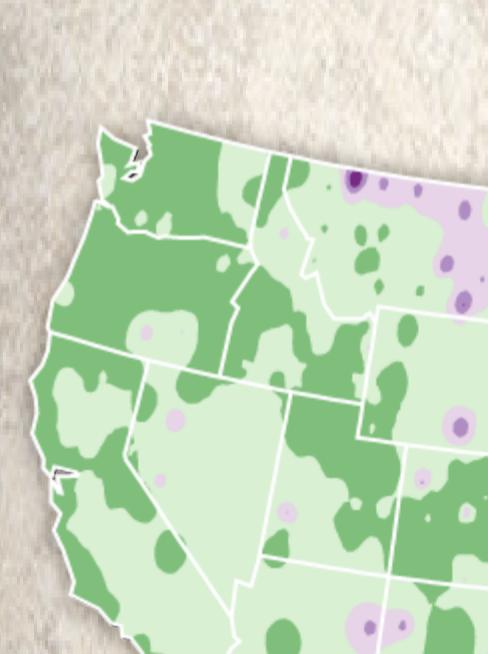

In the richest nation in the world **26,000<sup>(1)</sup>** people die every year because they lack health insurance

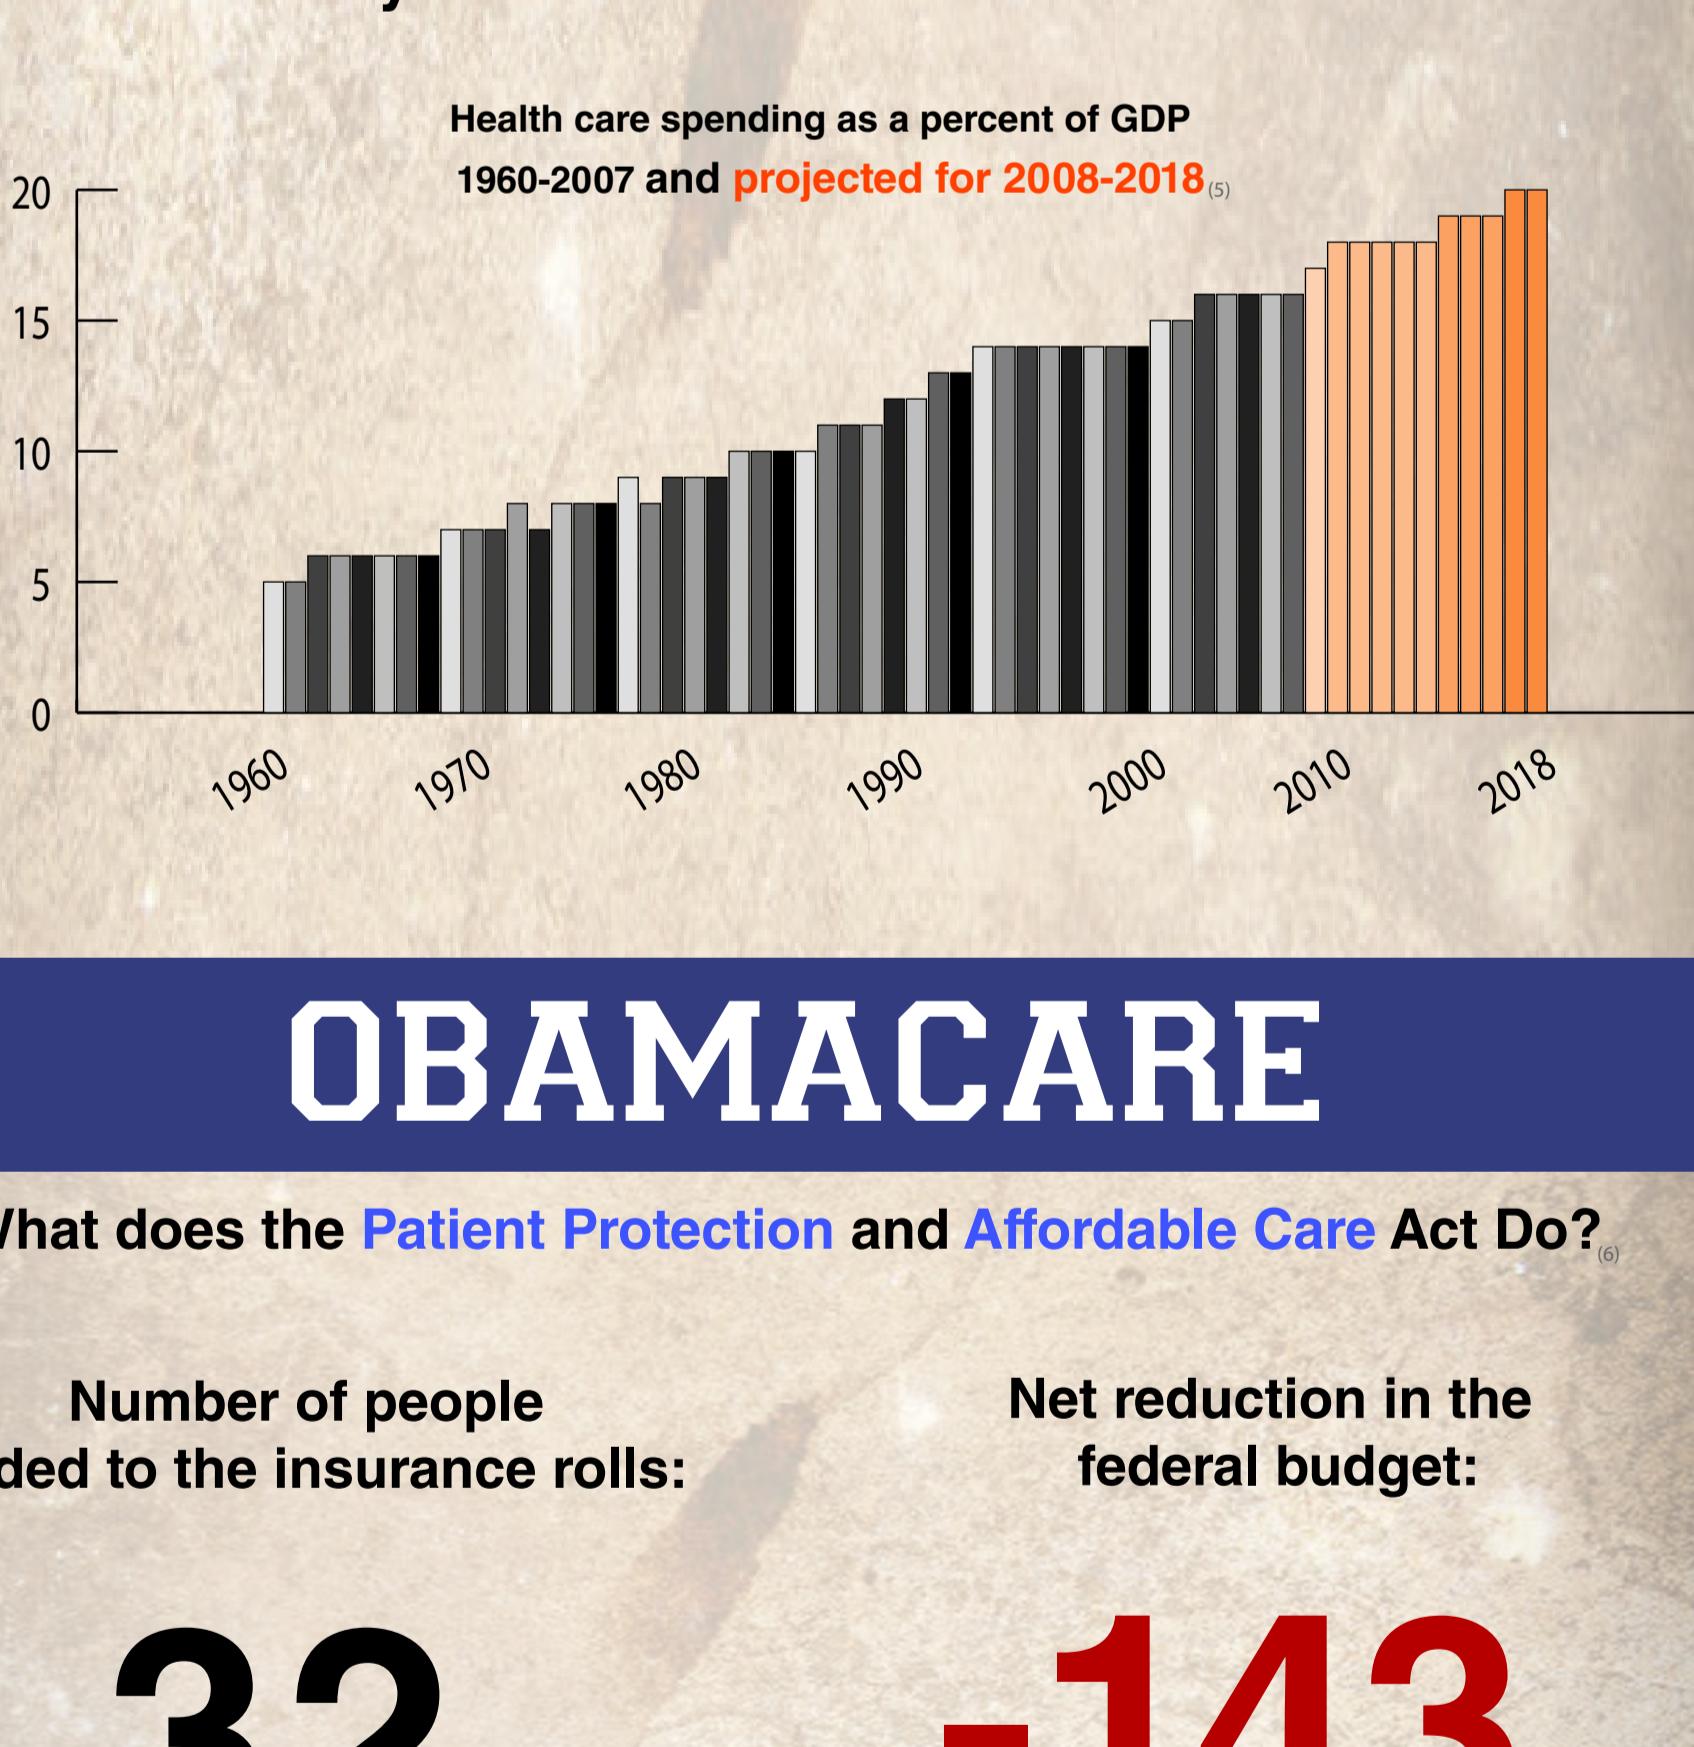

## Who are the uninsured?<sup>(3)</sup>

How much do they earn?

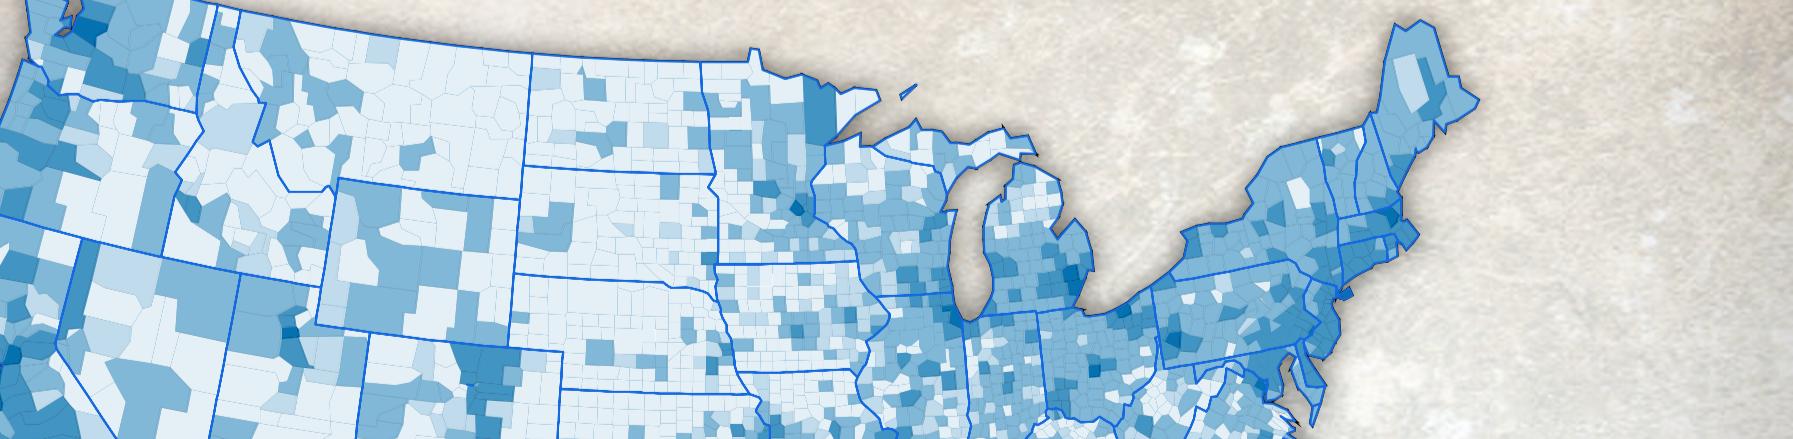

When people are uninsured, they are often hospitalized for conditions that were Preventable

This system of healthcare is unsustainable

Health care spending as a percent of GDP  
1960-2007 and projected for 2008-2018<sup>(5)</sup>

Number of people added to the insurance rolls:

**32 Million**

Net reduction in the federal budget:

**-143 Billion**
